

Grain Grading Schools

Our 2026 grain grading schools provide the best training on grain standards. Kansas Grain Inspection Service staff will cover wheat, corn, soybeans. Registration begins at 8:30 while the program starts at 9:00 a.m.

REGISTER

DATES: Feb. 10 - 12, Feb. 24 - 26, 2026

TIME: 8:30 a.m. - 4:00 p.m.

PRICE: \$85 for members

To register, scan the QR code with a smartphone's camera.
Or call 785.234.0461.

2026 Grain Grading Schools

- Teaching elevator operators, producers, brokers and grain buyers about grain grades and how to use grain standards in marketing.
- Train participants to recognize various types of kernel damage and grade a representative sample.
- Introduce sampling methods and techniques pertaining to grain grading and/or grain quality.
- Encouragement to use practical, cost-effective procedures for grain inspection.
- After attending these schools, participants will assess grain quality and its market value more accurately.
- Education materials supplied at these schools includes a grain grading handbook with color pictures depicting grain damage, samples of grain with different types of damage and grading equipment.
